# Altivo Series

Wiring Devices

## Fireproof Assurance

High-quality fire-retardant poly-carbonate ensures utmost safety

## Enhanced Performance

Red copper construction for superior conductivity and extended lifespan

## Power Precision

Inductive resistive load ratings ranging from 10AX to 16AX for optimized functionality

## Proven Endurance

Switches tested up to 20,000 cycles, sockets up to 15,000 cycles, ensuring reliability for over a decade

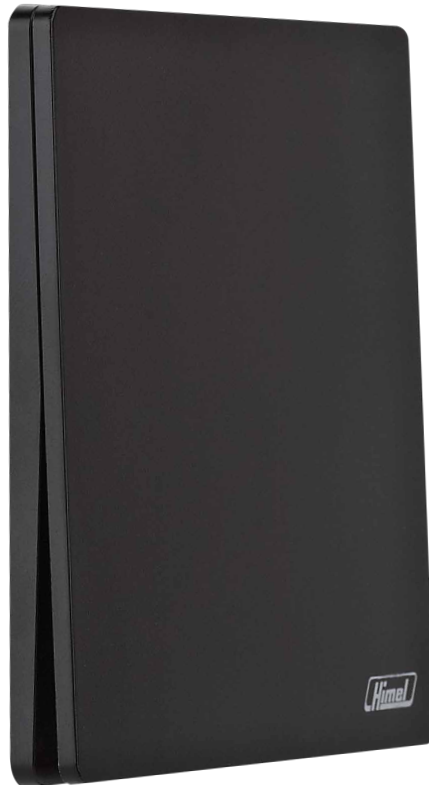

## Childproof Design

Electrical sockets feature reinforced-nylon protective shutters for enhanced child safety

## Extreme Durability

Passed rigorous ball pressure, salt spray, and impact resistance tests for unparalleled longevity and resilience

### Functionalities

-  Switch
-  Bell Push
-  Telephone Socket
-  Data Socket
-  SAT & TV Socket
-  Light Dimmer
-  Fan Dimmer
-  Shaver Socket
-  1 Gang 13A Switched Socket with Indicator
-  Switched Socket with Twin USB Charger
-  5 pin MF switched socket with neon + USB type-C
-  Switched Cable Outlet with Indicator & Fuse
-  Sound & Light Sensor with Fire Emergency Load
-  Photoelectric Hotel Key Card Switch
-  Door Bell Switch with "Do Not Disturb"

### Range Presentation

Introducing ALTIVO by Himel: the epitome of premium elegance for contemporary buildings—homes, workplaces, hotels and businesses. Designed for eclectic taste, these fully flat switches, sockets, and accessories blend seamlessly into any wall, achieving true integration with your space.

ALTIVO stands out not only for its striking design but also for its exceptional electrical safety with resistance to corrosion, heat, and impact. Tested to endure over a decade of use, ALTIVO is available in five stunning colors and offers over 80 functionalities, making it the perfect blend of aesthetics, quality, and utility.

### Features

-  Full plate with ultra-thin appearance
-  One-piece backside design
-  5 trendy colors
-  80 functionalities
-  Compliance with IEC safety standards
-  10 years warranty for switches and sockets
