HWDSS

Himel, reliable offers made affordable

www.himel.com

At its core, Himel strives for best in class quality and exceptional design, at the right price.

From one gang switch to electrical socket, we are setting the perfect product to last long thanks to a future proof design.

Ideal for new construction and retrofit projects.

Meeting all latest demand in consumer technology

Made from durable materials, here to last.

Maximum Performance

Cost Effective

We are following the principle of “clearing away anything superfluous”. All that remains is value: the best material and functions.

Maximum Performance

Our products are tested to comply with latest safety standards, ensuring maximum safety and reliability.

Simply Beautiful

Himel creates product with personality. Our design is modern and our colors trendy. Beautify your everyday life!

Easy Ordering

Efficient product ordering with one reference = one mechanism and a cover plate; you can't make any mistake while ordering. Just add G for Gold, S for Silver and W for Wood to add colors to your order

STYLE SERIES

Application Example

Dressing:

Flush Switches: Lights up, anywhere

Switched Socket : get power access, everywhere at home

Specifications

Flush Switches

Rated Voltage: 250V

Rated Current: 10AX

Requirements: IEC 60669-1; EN 60669

Degree of protection: IP2X + IPX0

Method of actuating: Rocker

Method of application: Flush-type

Type of terminals: Screw-type

Dimmer

Rated Voltage: 230V

Rated Frequency: 50Hz

Requirements: EN 60669-1; EN 60669-2

Degree of protection: IP2X + IPX0

Method of actuating: Rotary

Method of mounting: Flush-Type

Type of terminals: Screw-type

Minimum and Maximum current / load: 20-300W

Sockets Outlets

Rated Voltage: 250V

Rated Current: 16A

Requirements: IEC 60884-1

With and Without Shutter options available

Degree of protection: IP2X + IPX0

Method of connecting the cable: Screw-type

Existence of shutters: without shutters / with shutters

Method of application: Flush-type
